

## 'Mystery of Medicines Revealed'

The Patient Participation Group likes to invite you to an  
Interesting evening about your "drugs"!

In the PPG Awareness Week (6-11th June) we would like to inform you about '*all you always wanted to know*' about your Pharmacy and the Pharmacist:

- The study to become a Pharmacist?
- The way a pharmacy works?
- The real cost of medicines?
- The allocation of medication per area/region?
- Some information about new medicines?
- Research?
- NICE (National Institute for Health & Care Excellence)?
- Using the Pharmacist as first point of call for advice, minor ailments or Worries about some medical situations?
- Reducing the NHS Load of A&E?
- The nightmare of errors with dealing with prescriptions?

The much respected Pharmacist **Wayne Lloyd** M.R.P.S.G.B. (Member of the Royal Pharmaceutical Society GB), our previous Pharmacist in Oxshott, agreed to give a presentation and answer many questions afterwards.

- Don't miss this opportunity!
- Reserve the date in your diary:

**Date & Time: Thursday 9<sup>th</sup> June, 20.00**

**Venue: Oxshott Village Centre  
(Large Hall)**
